OUR ROLE WITHIN EAST 2

Our Objectives

These objectives were co-produced with the Chairs of Consortium in March 2021 and are reviewed annually

- To enable school staff to understand and meet the needs of students within their own school environment using a solution focused approach
- To use psychology as a framework to explore need over time
- To develop staff confidence in their ability to meet need
- To provide a safe space for adults to think about how they are feeling

Liverpool Educational Psychology Service

2021|2022

Liverpool Educational Psychology Service (EPS) are a team of 22 psychologists. We employ Assistant EPs and welcome Trainee EPs each year on placement with us from a range of universities.

All qualified EPs are registered with the Health and Care Professions Council. Any work completed by an Assistant EP or a Trainee EP is supervised and signed off by a qualified and registered EP.
