Our New School Website Is Now Live!

We are very pleased to share that our brand-new school website officially launched this week. This is something we have been working on for some time, and we are delighted to finally share it with you. The new site has been designed to be much easier to navigate, clearer to read and more helpful for families. Although we will continue to add and refine content over the coming weeks, there is already a wide range of new information available, including updated policies, key dates, curriculum details and more.

Reading Breakfasts – Join Us Over the Next Two Weeks

We are delighted to be hosting our Reading Breakfasts again across the next two weeks. These sessions run from 9:00am to 9:30am in classrooms. Parents and carers are warmly invited to join their child for a relaxed morning read. These sessions are a lovely opportunity to come together, enjoy stories and start the day in a positive and calm way.

Anthony Walker Foundation – Special Assemblies for Years 3–6

Next Wednesday, pupils in Years 3–6 will take part in assemblies delivered by the Anthony Walker Foundation. These sessions support our commitment to promoting respect, equality, kindness and understanding throughout our school community.

School Council Update

Our School Council meets every Thursday with Miss Scott, representing pupil voice across the school. This half term, their focus has been improving breaktimes and lunchtimes. After gathering ideas from their classmates, the council suggested a reading club indoors, new playground markings, storage sheds for equipment, and additional play resources. We are pleased to share that many of these improvements will soon be implemented.

Love Learning, Love Life!

Year 6 Booster Sessions

A huge well done to all our Year 6 pupils who have been attending booster sessions this half term. These sessions are an important part of supporting learning, helping pupils revisit key skills, build confidence and prepare for the months ahead. We are very proud of their continued hard work and positive attitude.

PTFA

If you have any time to give we would love you to be part of our PTFA. Our PTFA helps to organise fun school events, raise funds for resources and activities and build community links. If you are interested, please contact the school office.

Mrs Lancaster

Birthdays this half term

N	Grace
R	George
