Heatwave

Thank you for your cooperation and support during this week's heatwave. The children coped exceptionally well in the warmer conditions, and your efforts to ensure they were prepared made a real difference. Although temperatures are set to be cooler next week, please continue to ensure that children bring a water bottle to school each day. Suncream and hats should still be provided if needed.

Enrichment

Over the past couple of weeks, we have been delighted to see so many of our pupils taking part in a range of exciting trips and activities. These experiences have been thoroughly enjoyed by all and have provided valuable learning beyond the classroom. Highlights include: Year 1's visit to Walton Gardens, Year 3's trip to the Eureka Science Museum, Year 4's visit to the Cathedral, Year 5's canoeing experience at the Albert Dock and Year 6's SATs reward trip to Gulliver's World. Enrichment opportunities such as these are incredibly important. They extend learning in meaningful ways and help to foster children's cognitive, social and emotional development. It has been wonderful to see the enthusiasm, curiosity and teamwork shown by our pupils throughout these experiences.

KS2 Dance

We would also like to congratulate our Key Stage 2 dance team for their fantastic performance. They performed a dance from Matilda and achieved an impressive 5th place—a wonderful accomplishment. Well done to everyone involved for their hard work and dedication.

Summer Fair

Thank you, as always, for your continued support. We are very grateful for your kind donations towards the tombola, which will help contribute to our Summer Fair.

Please find information on the next page regarding new classes for September 2026.

Love Learning, Love Life!

Current Class	New Class in September	Class Teacher
Nursery 1	Nursery 2	Miss Wright
