Year 2 had a fantastic trip to the Blue Planet Aquarium in Ellesmere Port last week. The children loved seeing the sea creatures up close and taking part in workshops that brought their learning to life.

Year 3 enjoyed a brilliant day at Eureka! today, exploring the interactive exhibits and developing their scientific knowledge through hands-on activities.

Our Year 5/6 Girls' Netball Team represented the school wonderfully at the LSSP League this week. For many of the girls, this was their first competition, and they showed great teamwork, determination and sportsmanship throughout the afternoon.

The children also thoroughly enjoyed the visit from Rock Steady Music School, who delivered an engaging whole-school assembly. It was wonderful to see so many children inspired by live music, and we hope the experience encourages some of our budding musicians to take up an instrument.

Thank you to everyone who supported Wear Red Day - Show Racism the Red Card. Your support helped us reinforce the important messages of equality, respect and inclusion across our school community.

We are looking forward to the Halloween Discos will be taking place next week. Please check ClassDojo for details of your child's class day and time.

ROCK STEADY

DOES YOUR CHILD WANT TO PLAY MUSIC IN THEIR OWN BAND?

A photograph of a young girl with curly hair, wearing a green shirt and blue headphones, playing a black electric guitar. In the background, other children are visible, some playing instruments and others singing into microphones.

With Rocksteady, children learn to play an instrument through fun and inclusive weekly in-school rock and pop band lessons. It's the perfect way to learn new musical skills, make friends and have a great time - all at school! There's no musical experience necessary and instruments for lessons are provided. Rocksteady lessons are also shown to boost confidence, improve wellbeing and encourage teamwork!
