It was lovely to see so many of you attending our Parents' Evenings over the past couple of weeks. Your engagement and support are invaluable as we work together to support your child's progress.

Year 6 had a fantastic residential trip to PGL last week. The children took part in a variety of exciting activities, including canoeing, zip wire, high wire, giant swing, rock climbing, a survival activity, and campfire. It was a wonderful experience for all!

The children thoroughly enjoyed our Easter Discos. All funds raised from these events will go towards funding future school trips and additional resources for our children.

Please find below a link to the Liverpool Spring Parenting Newsletter, which contains useful information and resources for families including:

Information on activities and events for families, Information on Family Hubs, Healthy lives and Relationships, Services that support good emotional health for children and adults, help with the cost of living, support for families with children with SEND needs, Domestic abuse support services and RASA support services.

Please note that parents will be informed of allocated Reception places for 2025 on 17th April which is over the Easter holidays. Please ensure that you check your emails and not contact the school directly.

Our Easter Eggstravaganza was a great success! Key Stage 1 created beautiful Easter bonnets, while Key Stage 2 took part in an egg-decorating contest. The effort put in by all the children (and parents) was fantastic. I would like to extend my gratitude to the PTFA for their support in judging the winners—a challenging task indeed!

A special thank you to Huyton Asphalt and Civils for their kind donation of Easter eggs.
