Last week, we held a special assembly in support of the Bobby Collieran Trust, which is dedicated to promoting road safety awareness. It was heartening to see both pupils and staff come together by wearing blue to mark this important occasion. Together, we raised £160.21, which will go towards promoting vital road safety initiatives in the community. I would like to extend my gratitude for your generosity and support in this endeavour, as it reinforces the value of safety and community care within our school.

In conjunction with our commitment to environmental education, I am pleased to inform you that we have had 50 trees planted in our KS2 outdoor area, courtesy of Riverside Housing. This initiative provides an excellent educational opportunity for our pupils to learn about the importance of trees and their role in conserving the environment. We are eager to watch these trees grow and to witness how they contribute to our learning space and biodiversity.

This week, our Year 5 pupils enjoyed a fantastic trip to St Helens World of Glass. During their visit, they explored the museum and participated in two interactive workshops. It was wonderful to see the children's enthusiasm and hear about their learning experiences.

Yesterday, Year 4 had the opportunity to attend the Artistic Gymnastics British Championships 2025 at the M&S Bank Arena in Liverpool. They had a brilliant day watching gymnasts compete on the floor, beam, vault, pommel, and bars. The children's behaviour throughout the event was exemplary, and it was lovely to hear such positive feedback from staff.

Thank you to everyone who contributed to our fundraising for Red Nose Day. With your support, we managed to raise £184.20, helping to support local communities and organisations across the UK and worldwide.

A reminder that our Easter Extravaganza will be taking place on Friday, 4th April. This event promises to be a delightful celebration, featuring the PTFA's judgment of the KS1 bonnets and KS2 eggs. Please check the letter posted on ClassDojo for further details and we hope to see many of you there to celebrate with us.

Parents' evening is scheduled for next Tuesday, beginning at 1:30 pm. It is an important opportunity for you to meet with your child's teacher and discuss their progress. Please ensure that you book your slot so that we can accommodate everyone and facilitate these valuable conversations.

Have a lovely weekend.

Mrs Lancaster
