

Love Learning, Love Life!

Newsletter

Liverpool City Council, have recently launched their campaign "Save Kids from Sugar." It is dedicated to promoting healthier lifestyle choices amongst children, particularly in relation to sugar. As part of this initiative, every child in our school has been given a complimentary water bottle. We believe that this will not only encourage our students to stay hydrated throughout the school day, but also serve as a reminder of the importance of making healthier choices. Please follow the link for more information <https://savekidsfromsugar.co.uk/>

These resources provide guidance and support in fostering healthy habits at home, reinforcing the message we are promoting within the school environment.

Our Parent-Teacher and Friends Association (PTFA) successfully raised £170 last week. These funds will go towards buying cakes for our upcoming cake sale, scheduled for Wednesday, 4th December, at 9.10am in the school hall. We warmly welcome you to join us for this event, as it provides an excellent opportunity for community engagement and the chance to connect with other parents and staff. The PTFA is actively seeking donations for raffle prizes to enhance our fundraising efforts; any contributions, no matter how small, would be greatly appreciated.

Our Year 6 prefects received a visit from the Chair of Governors last week. During this visit, they engaged in discussions about safety and improving our school environment. It was great to see the Prefects' enthusiasm and dedication, highlighting the importance of student involvement within our school community.

Both of our Reception classes thoroughly enjoyed their recent visits to the local library. It was lovely to see the children's enthusiasm for books and their excitement for reading, which is vital in fostering a love for learning at an early age. This experience not only expands their knowledge but also enhances their vocabulary and creativity, contributing significantly to their educational development.

Attendance continues to be a school priority. Last week, we recorded an attendance rate of 93%, which remains well below the target set by the school and local authority of 97%.

Love Learning, Love Life!

Regular attendance is crucial for your child's academic success, and we appreciate your cooperation in ensuring that your child attends school consistently. Should you require any assistance or support in this regard, or if there are specific circumstances affecting your child's attendance, please do not hesitate to contact the school, as we are here to help.

Thank you for your continued support and partnership.

Mrs Lancaster

Birthdays this half term

N	Rosemary, Rachael
R	Irene, Dolcie. Louis, Hallie-Anne, Elza, Aileena
Yr1	Isabela, Mila, Antony
Yr2	Nathan, Ridwan, Lottie, Zerif, Cornel, Leo
Yr3	Dylan, Lily, Madeleine, Darcie, Winnice
Yr4	Aryan, Maddie,
Yr5	Weibo, Adhena, Calleigh, Colton, Paul
Yr6	Callum, Owen, Michael
